

The following excerpts are taken from the revelations found in the Second Book of Commandments, which can be downloaded at www.2BC.info . The Doctrine & Covenants in the early days of the Church was called the Book of Commandments. The Second Book of Commandments, or 2BC, is the continuation of the "thus saith the Lord" revelations in our day and currently has over 260 sections. This book will be made widely available after the LDS church is cleansed, and the leaders in Salt Lake are replaced, as Bishop Koyle prophesied.

Each of these excerpts are regarding the Prophet John Koyle or the Relief Mine in Salem, Utah.

SECTION 41

Revelation received June 2, 1979

...

54 And ye have asked Me where ye shall gather, and behold I say unto you, that I have chosen for a place of refuge even Salem Utah, yea even that city which My servant John Koyle saw even shall be built up; and all the land around about is sacred unto Me.

...

87 And all those that come unto Me and receive My word, ye shall recommend that they purchase shares in the mine, yea, **even a minimum of 100 shares**, for this is also My work; and the prophesies made concerning this mine shall all be fulfilled, for they are of Me saith the LORD.

88 And all who fight against this work shall be brought to naught.

89 And ye shall make haste in this also for the time will come when shares will no longer be available, and those who seek to purchase them will find them not.

SECTION 48

Revelation received October 13, 1979

...

46 And again My son, ye have asked Me concerning the Dream Mine which is located near Spanish Fork, Utah. And I say unto you at this time, show this revelation unto none other save

that which I shall reveal unto you; for some of those who will step forward at this time will develop unbelief, and inasmuch as they repent not, shall be among the wicked.

47 Behold I say unto you, that the time is now short, even at the doors, for this Mine to be vindicated

SECTION 59

Revelation received May 30, 1980

...

44 For I likened it unto the "Dream Mine", for it produced little or nothing in all the days of My servant John Koyle and hath yet produced nothing.

45 Yet My servant did as I commanded him, having faith unto the end in spite of all the persecution and ridicule he sustained on My behalf.

46 For in all, if all your efforts bringeth nothing yet I shall say, well done thou good and faithful servants.

47 Nevertheless, there shall be much gold and silver that shall come forth because of your efforts.

SECTION 69

Revelation received July 1981

...

13 Where are a people to do My will? Behold, I have looked in vain; therefore, I must bring about circumstances that will cause My people to repent, for they are drunk with the fatness of the land.

14 But I will make the fatness lean and the pleasures a hedge. And where there is prosperity there shall be poverty, and where there is security there shall be fear.

15 Would that they would heed My word in their prosperity, but pride taketh their hearts, for they think that with their own hands they have gained their prosperity.

16 Behold, all that now stands shall fail, yea, **even your great banks and lending institutions**, your great corporations that make of the employee a slave, yea, and the governments that support them.

17 Will ye then set up My holy order or perish?

SECTION 70

Revelation received July 1981

...

19 For I did call My servant Joseph Smith, and through him I planted the seed of truth, and few were faithful in his generation.

20 And again I did call My servant John Koyle and the truth through him did cause some to repent, yet few did survive.

21 But I say unto you, I will plant again, yea even a small garden by the hand of My Servant whom I have chosen, but that which I now plant will I carefully weed and protect.

22 For I will surely separate them by **a great sifting and setting in order**, and it shall survive until I come to take it to Myself.

SECTION 71

Revelation received September 22, 1981

...

13 Behold, I have much more to say unto this people by way of instruction and doctrine, until they have all truth and stand before Me naked, or in other words, without excuse.

14 For now is the time for some of the prophecies made through the instrumentality of My servant John Koyle to come to pass.

15 For it is My will that the stockholders in this Mine known as the "Relief Mine", shall gather together and commence to instigate a financial institution based upon true principles, and not upon the precepts of men.

16 For until all things are one, such an institution is necessary to unite My people and prepare them to **live the United Order** after My holy Order, and unite themselves into one.

17 For those who are not one are not Mine.

18 And it is My will that man shall not charge for the use of his surplus monies, for such is usury and an abomination unto Me.

19 And all who will not come under this Order are in danger of being left in Babylon and of the burnings.

20 Behold, ye have asked Me how the bank will survive the coming calamities.

21 Behold I say unto you, it will survive only if you do what I say concerning the matter, and that only after a severe testing of your faith which will separate the wheat from the chaff, shall it be saved on this wise.

22 Each one who has placed their surplus monies and properties in these institutions and have entered into and taken unto them the covenants of My most Holy Order, behold, their money and values will be redeemable in gold as follows.

23 **One ounce of gold for every \$100.00 or value thereof that has been placed into the common fund, and for every Relief Mine share 10 ounces of gold.**

24 This shall be done only as fast as the gold can be mined and minted.

25 Those who have entered into the covenants first shall be the first to be redeemed and those who have entered at a later date being the second to be redeemed, all in order according to their date of entry into the Order-- that all may be in accordance with My law which is just and equitable.

26 And no man shall consider their wealth their own, but shall make their **surplus** properties available to others entering the Order according to their worthiness and faithfulness and honesty.

27 For no dishonest man shall be allowed to borrow monies from the common fund, for such will but squander and waste these monies and be lost and bring Zion into jeopardy; and none shall profit thereby.

28 Howbeit, they can use what they must for their own needs and for their family or families.

29 Nevertheless, if they begin to covet their surplus monies and use it for the lifting up of their pride and self-indulgence they shall be expelled from the Order, for they have lost the Spirit and have become greedy and covetous.

30 And they shall be given that with which they entered, their properties and monies in common currency, **but not the gold**, for they entered the Order without the gold, therefore they shall leave without it, for it can be used only for the upbuilding of My Kingdom.

31 Yet I will reveal more concerning this matter, but ye have sufficient for the moment.

SECTION 72

Revelation received November 14, 1981

Thus saith the LORD unto His prophet. Behold, if they heed not My will through thee, **I will release them**

and give their charge to others who will heed My voice.

2 For I say unto you, if I can release the heads of the Church, which I will surely do in Mine own due time, **so also can I release the Board of Directors of the Relief Mine.**

3 For will I not set My house in order beginning at the head?

4 For I will not release the riches of the earth to a people who are not organized according to My will.

5 For if I release these riches now, they will be but laid waste and destroyed.

6 For when I have a people prepared and living all My laws, then can I pour out My blessings upon them and not until.

7 For I say unto you, are men wiser than God?

8 Yet when they have a project to accomplish do they not gather together good men whom they can trust and organize them each one in his order and with his responsibilities so that the project be accomplished

according to their wishes?

9 Behold, ye must gather together as I have commanded and set up the United Order among you.

10 And if ye heed not My will, I will find another people who will, for I will not cause My will to be mocked.

11 For if ye are ashamed of My servants, ye are ashamed of Me, and behold I will be ashamed of thee at the day of visitation. Even so, Amen.

SECTION 89

Revelation received January 25, 1983

Behold My son, I am Alpha and Omega, even the Beginning and the End, even the voice of Jehovah, for I speak unto thee with a still small voice and say unto you, I did give unto My servant Joseph Smith Jr. authority to set up the Church of Jesus Christ for the latter days on April 6, 1830-- and this by My voice and by My authority and by My servant whom I did appoint according to My word, and it is Mine saith the LORD.

2 And all who rebel against it and esteem it as naught shall repent or be destroyed.

3 For they do ignore My word concerning it and if they mock it they mock Me and if they say, "It cannot be redeemed or cleansed", they do err in doctrine and judgment and are in need of repentance, for they ignore the prophets I have sent.

4 For did not I speak through My servant Joseph saying that I would cleanse it and restore it to its pure state ?

5 For I knew that wicked men would pollute it.

6 But I will stretch forth Mine arm at the time appointed and shall cause it to be cleansed, for the vessel is yet sound, but the contents are putrid before My face.

7 And did I not speak unto My servant John Koyle in visions, **and did I not send unto him My servant Joseph Smith and instruct him in the manner it would be cleansed**

?

8 Have I not instructed My Servant in the Parable of the Pear Tree that My Church will be cleansed, and the tree pruned and gouged and dunged and cultivated by those whom I will send?

9 And those wicked men who deceive all the nations **shall be exposed** before all men.

10 Behold I say unto you, these things shall surely happen and none shall stay My hand, for one shall surely do this as I have promised.

11 And all those who ridicule My Servant in this matter saying that this is an impossible thing, shall see their folly and be chastised.

12 For what I the LORD have set up, let no man tear asunder, **for if I will that My church be established it shall be done, and if I will that My church be destroyed it shall be done, for the Church is Mine saith the LORD**

. Even so, Amen.

SECTION 93

Revelation received May 1983

...

4 Ye have wondered as to how the United Order will survive the financial collapse that will surely come about.

5 Behold, I say unto you that, when you receive monies from Babylon, ye shall purchase silver and gold with the surplus, and this ye shall do on a consistent basis so that the losses will not be too great when this happens.

6 And when the economy completely collapses, **ye shall be prepared to mint money according to My laws and statutes** , that trade

may continue among My people.

7 For if ye do what I command, thy possessions will not flee from thee.

SECTION 98

Revelation received July 28, 1983

Behold I say unto you My son. It is imperative that all things be done in order, for if they are not done in such a manner, confusion reigneth and My work be thwarted.

2 Therefore it is correct that in every case the School be set up first, then a financial institution organized according to My pattern and then the United Order established that the people may unite and be as one.

3 And concerning the financial institution, ye shall call it by the name of My servant John Koyle, that his name and deeds again be known among the people.

4 And the financial institution shall not be for the lending of money for the foolish pleasures of the world, nor for the common everyday purchases, but **for the purpose of establishing stewardships only**

5 Neither shall it be used to support vast holdings held by greedy and lustful men, for these institutions help not the purposes of Zion.

SECTION 115

Revelation received December 5 or 6, 1984

...

6 Concerning My servant William, ye shall offer to liquidate his debt to you in full by surrendering his shares, and this he shall do by notary public and disclaimer.

7 **For I say unto you, one share shall be redeemable for \$1,000 or 10 ounces of gold.**

8 And a man shall labor for \$1 per hour that for every 100 hours work he shall receive an ounce of gold.

9 And wheat shall be purchased for 50 cents per bushel or 200 bushels for an ounce of gold.

10 **For this yet shall come to pass-- according to My servant John Koyle.**

SECTION 117

Revelation received January 6, 1985

My son; take the pen which ye have and write that which I shall speak unto you by the still small voice.

2 As your surroundings are not conducive to the receiving of Mine oracles, yea My Spirit will speak unto you that ye may receive an answer to thy questions.

3 Ye have asked concerning the more ancient inhabitants of this place, which place is Salem and the surrounding area, which I spoke of to My servant Joseph Smith in the Book of Doctrine and Covenants, Section 111.

4 Behold I say unto you, the ancient inhabitants of this place are the Nephites and Lamanites

who did inhabit this land at the time that is described in the Book of Mormon.

5 And they did hide up more than one treasure here; and if ye inquire diligently concerning their history, ye shall receive knowledge as to where these treasures are hidden.

6 Ye must also seek after My Spirit, which will also guide you, for ye will not find all that ye require in the history of this people.

7 Yea, and their history is contained in the Book of Mormon, wherein ye read the people did hide up their treasures because of the wars and contentions of the people; and **many of these treasures remain and are still hidden up at this time**

.

SECTION 120

Revelation received April 29, 1985

My son, take the pen that ye have and write that which I shall say unto thee by the still small voice.

2 Ye have traveled all these miles at My request and ye reside among the evils of this day.

3 But I say unto you, all that ye see about you is Mine, saith the LORD; and all wickedness shall cease, for either all things brought forth shall abide My law, or be destroyed.

4 And I have called but none have heard, for as I called My servant Joseph Smith, I have called and set aside My servant John Koyle, and as I have called and set aside My servant John Koyle, also have I called and set aside thee.

5 Yet some say, "Ye need to be ordained to a higher Priesthood before ye begin to organize Zion."

6 Behold I say unto thee, what higher authority do ye require than to be called by My voice?

7 Nevertheless, ye were ordained to My Holy Priesthood by one having authority to do so.

SECTION 130

Revelation received June 8, 1986

...

17 For I know the end from the beginning, and ye know not anything except it be given unto you by My Spirit; nevertheless, if ye continue to live according to My will, My Spirit will continually instruct thee in this gift that ye know the things that are necessary for ye to know when the time is at hand.

18 **This gift I did give unto My servant John Koyle**, for he did obey Me in all things that I commanded him.

SECTION 137

Revelation received April 1, 1987

...

18 For I gave unto My servant John Koyle the stewardship of the Mine in Salem and behold, he honored his stewardship, and did what I commanded him and has surely received his reward.

19 For I say unto you, **that which one starts others may be called to complete.**

SECTION 206

Revelation given January 9, 1999

...

19 And it is My will that ye shall send out the letter I have commanded to be written to the remainder of the leaders of the church, even the Seventies, and other General Authorities that have the signs of Israel-- as far as ye are able to determine.

20 And to any others that I may indicate by My Word through My servant.

21 And at this time ye shall send My Word through My servant to the following: even Winston, and also all those who are now in charge of the mine located at Salem.

22 And thus I have said that this needs be accomplished that those be warned, that they have no excuse before Me at the last day.
