

What's the purpose of the mine and what will the treasures be used for?

Wednesday, 06 February 2008 16:37

1. This mine will set up a food storage program similar to that of Joseph of Egypt. In the days of disaster, millions of people will be in need of food.
2. It will also save the church from temporal disaster.
3. Low interest loans will be given to people to help them save their homes, farms and businesses.
4. Means will be provided to establish people in the United Order.
5. Many ancient records will be recovered and translated.
6. Much of this gold will be used to beautify and adorn the temple in the New Jerusalem.
