

How can I participate in the service projects?

Tuesday, 05 February 2008 15:10

One of the best ways to be informed of upcoming service projects is to register on our website. You will find a link on our homepage that will allow you to create a secure private account. When projects and volunteers are needed, we will send out an email with all the details. All we ask is that you respond to these emails, if you can attend, so that we have a rough idea of how many people to expect.
